## Artist of the Month

### Jessey C.

Arundel Lodge artist, Jessey, can be seen here with one of their recent pieces, *Portrait of a Schizophrenic Addict*. Their favorite part of being an ALI artist is the sense of community with other artists. Jessey's favorite type of art to create are pieces that make a person really think. Jessey finds inspiration in their strength, love, and pain. They want people to know that art is extremely important to them and has helped them so much in life.

Keep up with all of our artist's new work over on the Open Eye Gallery Instagram!
