

ARUNDEL LODGE behavioral
health
hope re-imagined 

Dear Arundel Lodge Family,

As the holidays quickly approach, I find myself reflecting on our journey over the past 6 months and the related challenges. I am writing to extend gratitude for the genuine and heartfelt welcome that you, as members of our cherished Arundel Lodge Family, have extended to both me and my wife, Bernice. This support has been deeply felt and has enabled us to make the adjustments that come with a move such as we have made. We are very much enjoying life here in Maryland.

I have been impressed with the wonderful work that is done daily here at Arundel Lodge and it is a tribute to our wonderful staff and your ongoing support. This year has presented its share of challenges and your commitment to our shared mission has been of tremendous value as we strive to be the best we can be in service to our community. The impact we collectively make on our community is a testament to the strength of our collective spirit.

In the spirit of the holiday season, I wish to express our gratitude for the trust you've placed in us. Your generosity and continued support empower us to navigate the path ahead, ensuring that we can sustain and enhance our efforts to make a meaningful difference in the lives of those we serve. As we approach the end of the year, I kindly ask that you consider keeping Arundel Lodge on your charitable giving list, enabling us to forge ahead with even greater impact in the coming year.

On behalf of the entire Arundel Lodge team, I extend heartfelt wishes for a joyous holiday season filled with warmth, laughter, and moments of connection. May the coming New Year bring you and your loved ones peace, health, happiness, and an abundance of prosperity.

With sincere gratitude,

Kevin Hazucha, C.E.O.
