Holiday Happenings Around the Lodge

Thanksgiving Luncheon

On November 17th, the Day Program hosted their first in-person Thanksgiving since 2020. The main campus cafeteria was turned into a beautifully decorated dining hall where clients enjoyed a traditional, full service Thanksgiving meal with live music. Clients had the opportunity to reminisce, reflect, and express their gratitude for slowly but surely returning to some post-pandemic normalcy and bringing back some of the Lodge's most favorite and cherished events.

Holiday Gift Shop

On December 22nd, Day Program will be hosting a Holiday Gift Shop, previously known as Reindeer Roundup, providing clients an opportunity to shop for gifts and receive gift cards to various local stores. In addition to the shop, clients will be able to participate in holiday happenings throughout the day. People interested in donating new items should contact **Sierra Dean-Sweeney at sdean@arundellodge.org**. The most common gift requests this year include NEW tech, hobby items, entertainment items, clothing, local store gift cards, and quality personal products.
