## Artist of the Month

### Haran W.

The piece of art seen here is *Lighthouse and Bay*, created by Haran W. He cites his inspiration for this piece as being happy and excited to create art. Haran's favorite thing about being an Arundel Lodge Open Eye Gallery artist is creating new artwork and meeting other artists. Haran is inspired by going to Day Program classes and continually creating more art. He would like for people to know that he is a good artist and enjoys creating new work.

Keep up with all of our artist's new work  
over on the Open Eye Gallery Instagram!

# Holidays at the Lodge

## Holiday Happenings Around the Lodge

In December, the Day Program hosted a Holiday Gift Shop which provided clients an opportunity to shop for their own gifts and receive gift cards to various local stores. Employees also got involved in the holiday activities by participating in a door decorating contest. Clients loved walking the halls and seeing all of the holiday spirit on display!
