# Open Eye Gallery

Art Show THIS WEEKEND!

The poster features a dark blue background with a starry sky. On the left, there is a circular logo split vertically: the left half is a yellow sun with rays, and the right half is a white moon with stars. The word "EQUINOX" is written in large, yellow, outlined letters. To the right of "EQUINOX" is the text "Art Exhibition" in a smaller, yellow font. Below the logo, there is an invitation to an opening reception. The reception details include the date "SATURDAY, SEPTEMBER 23, 2023" and the time "5:00-8:00 PM". The location is "Open Eye Gallery at Arundel Lodge, 2600 Solomon's Island Rd, Edgewater, MD 21037". The poster also mentions that the show continues through December 31, 2023, and provides contact information: "For more info: Call 443-433-5900 or ahagan@arundellodge.org". At the bottom right, it lists the types of art: "Paintings, sculptures, drawings, mixed media, and more!" and states that artists receive 80% of each sale and refreshments will be served.

You are cordially invited to the opening reception of the art show "Equinox", featuring the Artists of the Open Eye Gallery of Arundel Lodge Inc.

## Artist of the Month

### Kaseem J.

Arundel Lodge artist, Kaseem, can be seen here with one of his recent pieces. His favorite part of being an ALI artist is that he gets to create art almost every day. Kaseem's favorite type of art to create is drawings. He finds inspiration in the possibilities of what he can create. Kaseem wants people to know that he is a relatively new artist and just started drawing in 2016.

Keep up with all of our artist's new work over on the Open Eye Gallery Instagram!

## Day Program Takes on Mini Golf

In August, the Day Program had an energizing experience at the Arundel Golf Center where clients and staff played mini golf together, promoting socialization and team building. The trip was a fun and friendly competition for all who participated. Clients and staff gathered together after golfing for a park picnic with beautiful nature and aircraft views.
